Continuation of Substance of Interview including description of the general nature of what was discussed:
Mr. Rutten called Mr. Agovino on 11/16/07 to suggest an examiner's amendment that incorporated the features as argued at the bottom of page 13 filed 9/14/07. Mr. Rutten also suggested that other minor deficiencies were noted relating to 112, 2nd, and would require an amendment. Mr. Agovino reviewed Mr. Rutten's proposed claim language and responded on 11/19/07 with a proposal including some changes to the original suggestions. Mr. Rutten requested some time to consider the new language. Mr. Agovino suggested that if the language was acceptable, then Mr. Rutten had his approval for the amendment.
